MFS4 Matching Floorstands for M145/M146

The Revel MFS4 floor stands are the perfect companion for the M145 and M146 bookshelf loudspeakers.

Crafted from extruded aluminum and steel components, these stands attach securely to the bottom of the speakers using the supplied mounting screws.

They position the loudspeakers at the optimal listening height while providing a stable foundation for great sound.

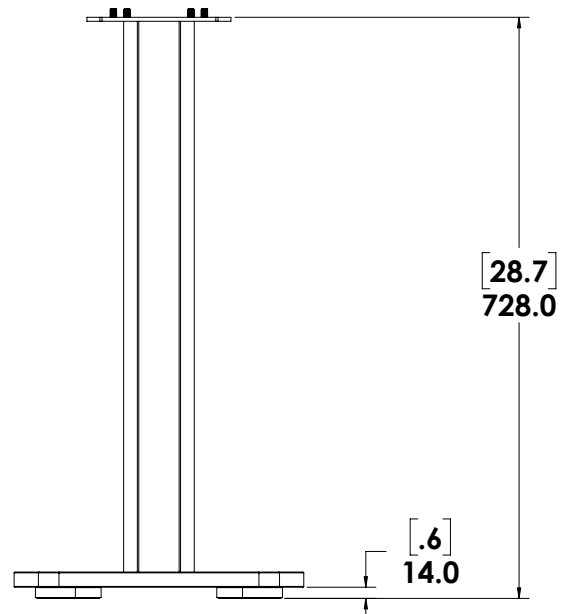

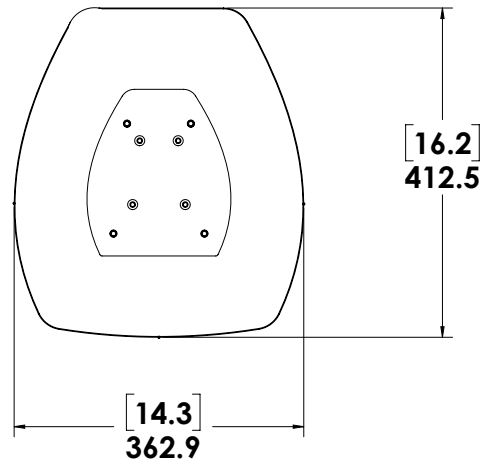

Built-in wire management keeps cables neatly hidden while solid aluminum feet with optional spikes address performance on carpeted surfaces.

Features

- Extruded aluminum and steel
- Place the M145/M146 at an optimal listening height
