ÉTAPE / STEP 1

ÉTAPE / STEP 2

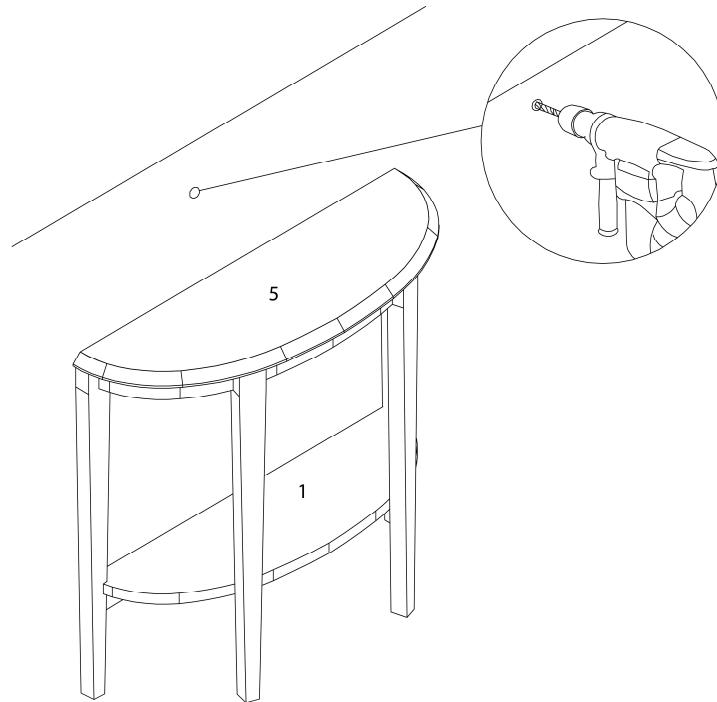

This exploded view diagram illustrates the assembly of the components. The main frame consists of two long horizontal beams (3 and 4) connected by two curved end pieces (1 and 5). The diagram shows the following components and their assembly points:

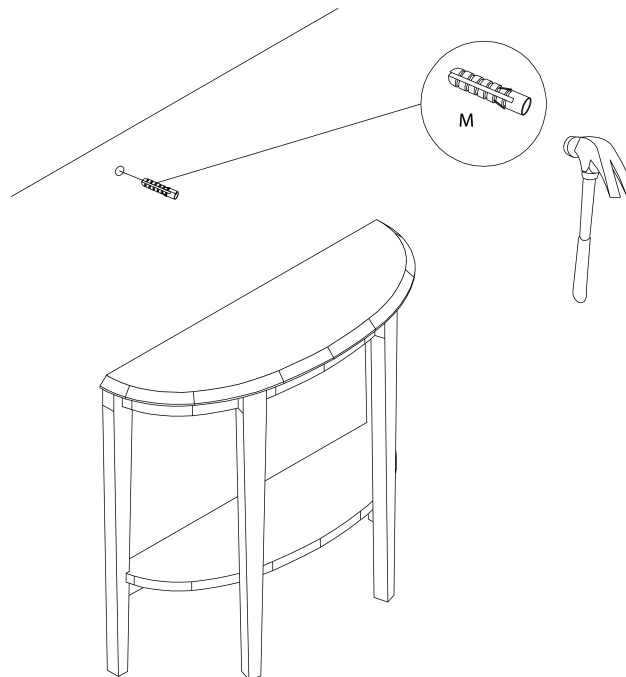

- Component 1:** A curved end piece that fits into the end of beam 3.
- Component 3:** A long horizontal beam.
- Component 4:** A long horizontal beam that fits into the end of beam 3.
- Component 5:** A curved end piece that fits into the end of beam 4.
- Component B:** A long cylindrical rod that fits into the end of beam 3.
- Component C:** A small rectangular plate that fits into the end of beam 3.
- Component D:** A small circular disc that fits into the end of beam 3.
- Component E:** A small circular disc that fits into the end of beam 3.
- Component J:** A small cylindrical rod that fits into the end of beam 3.

This diagram shows the upper frame assembly in an exploded view. It includes two curved side rails (1) and two horizontal top rails (6). The assembly is shown with various fasteners: screws (A), a large bolt (B), a bracket (C), a hook (D), and a pin (J). A separate view shows a bolt (I) and a washer being inserted into the side rail (1).
