Santos Chest

3000-0204

Overall: 30.5"h x 32"w x 19"d

Finish: Sea Sand/Brushed Brass

Materials: MAHOGANY/RATTAN/BRASS/GLASS

Item Weight: 98 lb

The Santos Chest has a split rattan pattern on the drawers and the top, which is made by hand and applied to a solid mahogany frame. Then a Sea Sand on Rattan finish is applied to the entire piece. A design detail of note is how the brass pulls sit squarely in the center of the outer circles created by the pattern. This tan chest has solid mahogany dovetail drawer boxes, soft close drawer slides, and adjustable glides.
