Ivaan Accent Table

4000-0132

Overall: 18.5"h x 12"dia

Finish: Antique Brass

Materials: CAST ALUMINUM

Item Weight: 16 lb

Made of cast aluminum, the Ivaan Accent Table is a remarkable example of the personality that comes with hand-forged furnishings. The pitting on the surface that creates drifts of texture beneath the luminous antique brass finish is evidence that the solid metal gold accent table was poured into and removed from a mold.

The center disc wedged between two rounded forms is a sophisticated design element of note.
