W:79 x D:18 x H:34.25 • 40-164

Simply breathtaking, this sleek sideboard features a charcoal frame and metal base, but the high point is the outstanding braided design of textured and whitewashed wood on the doors. The play of light across these fabulous doors is sure to add to your well designed interior, making this a favorite, for certain! A fixed shelf behind each of the soft close doors make this stunner practical as well as a coveted design feature.
