MOE'S

Sophie Outdoor Nesting Table Set Charcoal Lacquer

Concrete has a way of commanding attention—especially in a soft triangular silhouette like this. Sophie's nesting set pairs two solid concrete outdoor tables with rounded corners and gently angled edges that read sculptural and organic. A high-gloss charcoal lacquer finish adds depth and highlights the material's subtle texture. Triangular legs echo the tabletop shape for a cohesive, architectural look, and levelers steady each piece on any surface. Nest them for a layered arrangement or use each one on its own.

- Soft-Triangle Silhouette: Rounded corners and angled tabletop edges create an organic, sculpted profile that reads architectural without feeling harsh or overly geometric.
- Solid Concrete: Each table is made from solid concrete, delivering a substantial, outdoor-safe presence with the durability to handle patios, terraces, and open-air living.
- Cohesive Leg Design: Triangular legs mirror the top shape for a unified look that feels intentional, whether the tables are nested together or spaced apart.
- Nesting Flexibility: Slide them together for a layered moment, or use each table on its own—side by side or separately—with levelers to help steady placement.

Item Code	SC-1009-07-0
Swatch Code	
Country Of Origin	VIETNAM
Product Materials	Concrete, Leveler
General Dimensions	39.0” W X 24.5” D X 15.0” H
