TENCEL® PANEL

Our ultra-conforming knit panel is made with breathable Tencel®. This panel is eco-friendly and incredibly soft to the touch.

VISCO ELASTIC MEMORY FOAM

Our high-quality memory foam, CertiPur-US certified, is breathable, resilient and ensures pressure relief as well as body temperature regulation throughout the night.

COPPERGEL™ FOAM

Coppergel™ is a hyper-conductive, natural anti-bacterial and anti-viral element that helps to dissipate excess body heat to provide the coolest and most comfortable sleep.

SILK/WOOL

A breathable blend of natural fibers to provide airflow keeps the body cool and dry for lasting comfort.
