Kaia Outdoor Coffee Table Dark Brown

Traditional craft meets outdoor-ready thinking. This coffee table pairs a dark brown teak frame with handwoven synthetic hyacinth in a neutral beige, creating warm contrast and a surface that keeps visual weight light. The generous top holds drinks, books, and snacks with room to spare, while the open weave gives it an airy presence around sectionals and lounge chairs. A modern piece with a craft-forward soul—right at home on the patio.

- Modern Craft Mix: Traditional teak framing meets twist-woven synthetic hyacinth for an outdoor look that feels classic in spirit, current in line.
- Teak and Weave: A dark brown teak frame pairs with neutral beige synthetic hyacinth for warm contrast and a woven surface that stays outdoor safe.
- Handwoven Detail: Carefully woven synthetic hyacinth wraps the frame with consistent texture, referencing traditional techniques while staying suited to outdoor settings.
- Easy Patio Center: Generous top space holds drinks and snacks, while the open weave helps the table feel airy around sectionals and lounge chairs.
