*The Light Thorpe Desk combines industrial style with a hint of Western charm. Its light natural wood top is complemented by brushed antique metal legs that wrap around the edges, paired with matching metal hand pulls for a cohesive look. The clean lines and distinctive design make it a versatile piece, while its Western-inspired silhouette adds character. With two spacious drawers for storage, this desk is as functional as it is stylish—perfect for writing, working, or simply making a statement in any space.*
