

MP-WP160-B

Media Presentation Wall Plate - DisplayPort w/Mini-TRS Stereo Audio, Black

Media Presentation Wall Plates complete the total Crestron® package, ensuring end-to-end Crestron quality for every installation. A range of wall plates is offered to support all types of analog and digital video, audio, and control signals.

The MP-WP160 features one (1) DisplayPort connector and one (1) 1/8" mini-TRS connector, labeled for DisplayPort and stereo audio. A bulkhead type feed-thru connector is used, providing a female DisplayPort connection at the rear of the wall plate, facilitating installation using a standard DisplayPort cable. Audio wiring is connected via a 3-pin terminal block.
