

WYMAN SQUARE 19" HIGH 1-LIGHT DESK LAMP

SKU - H0019-9511-LED

Description

Drawing on midcentury influences, the Wyman Square Table Lamp is perfect for accenting an elevated style living room, bedroom or hallway. Set on a matte black metal frame, this design features a metal shade that directs the light upwards into a metal dome, causing the resulting ambient light to cast and reflect in interesting ways. The metal shade and dome come in a rich, satin gold finish, adding an element of luxe to its appeal while its simple, functional frame work brings a contemporary edge to its style.
