7.4 cu. ft. Front Load Dryers with Built-In Intelligence

Do more than dry—sleek styling and built-in intelligence elevate the entire laundry experience

No longer just a companion to your washer, LG dryers deliver a new level of convenience and clothing care. When there's no time to wash, TurboSteam™ technology* reduces wrinkles in just 10 minutes. Built-in intelligence automatically selects the right settings to eliminate the guesswork, and can even talk to your washer to pick a compatible cycle. Smart features let you start the dryer when you're on the go or send routine maintenance updates to keep your appliance in tip-top shape.

Versatility

REFRESH CLOTHES WITH STEAM IN BETWEEN WASHES

- Go ahead, wear it again—in just 10 minutes, TurboSteam™ technology* reduces wrinkles and odors in up to 5 garments when you don't have time to wash
- Can also be used to refresh children's toys, decorative pillows and more

*Available on models DLEX4000/DLGX4001 and DLEX4200/DLGX4201.

Built-In Intelligence

BUILT-IN INTELLIGENCE TAKES OUT THE GUESSWORK

- Forget about endless sorting or toggling through cycles—built-in sensors use AI technology to detect fabric texture and load size, then automatically select the right drying motions, temperatures and more for advanced fabric care
- Sensor Dry detects moisture levels and automatically adjusts drying time for loads of all sizes—no more damp clothes, no more overdrying
- With Smart Pairing™, the washer can even tell the dryer to select a compatible drying cycle, making it the ultimate laundry hack

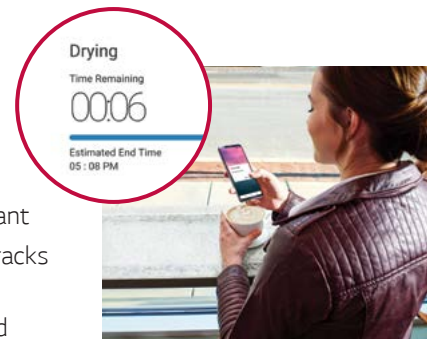

Smart Features

FINISH LAUNDRY WHILE YOU'RE ON THE GO

- No matter where you are, use the ThinQ® app to start the dryer, extend cycle time to avoid wrinkles and receive an alert when clothes are dry
- Go hands-free—select dryer features work with Alexa and the Google Assistant
- Never run out of dryer sheets again—Amazon Dash Replenishment Service tracks usage and automatically delivers dryer sheets right to your door
- Proactive Customer Care offers preventative maintenance tips and alerts and expedited repairs, for enhanced satisfaction plus improved product performance

Additional Features

Tempered Glass Door

PREMIUM LOOKS DESIGNED TO LAST

- LG front load dryers are the first to use tempered glass doors for a sleek, stylish look that resists shock and scratches
- Door trim and matching control knob in white/silver (DLE3600/DLG3601), rose gold (DLEX4000/DLGX4001) or chrome (DLEX4200/DLGX4201) complement the door and enhance the premium feel

Ultra Large Capacity

SPEND LESS TIME ON LAUNDRY WITH MORE ROOM FOR CLOTHES

- Free up your day—fit more clothes in every load with 7.4 cu. ft. of space
- Running fewer loads saves energy and money on your utility bill

FlowSense™ Duct Clogging & Lint Filter Indicators

KEEP YOUR DRYER CLEAN, EFFICIENT AND SAFE

- FlowSense™ duct clogging and lint filter indicators let you know when your ducts and filter need cleaning to avoid lint buildup
- Improves the dryer's performance for greater efficiency and lower utility bills
- Helps give you safer, worry-free operation with fewer service calls

ENERGY STAR® Certified

WHO SAYS DRYERS CAN'T BE ENERGY EFFICIENT?

- High efficiency sensor drying and low-heat settings save energy and money
- ENERGY STAR® certified dryers use about 20% less energy than conventional models without sacrificing features or performance

Closet Depth

FLEXIBILITY TO FIT ALMOST ANY SPACE

- These dryers are worth showing off, but when space dictates otherwise it's good to know they'll easily fit in a closet with plenty of room to close the closet door
- Install the pair side-by-side, or get a stacking kit and install the dryer over the washer to save even more space
