Newlark

With space to stage, stow, and even work, this secretary desk is an essential addition to any den. The desk combines maximum storage space with exceptional craftsmanship and features a mountable hutch with a fold down desktop, perfect for writing and drawing and when the desk is not in use, simply fold the desktop surface upward to keep your tablet and other items hidden from sight. With two drawers, and three compartments, this secretary desk provides an abundance of space to organize and store all of your items. Try setting it in the center of your home study for the perfect place to get to work in style. Put heirloom antiques on display inside the glass-front cabinet, keep stationary and photos tucked away in drawers, and open the hutch when you need a spot to scrawl. This desk is finished in a gorgeous Powder Gray finish and crafted of Poplar and rubberwood solids, MDF and Tempered glass.
