

Silver-finished metal and glass alarm clock with polished silver columns.

Metal tabletop clock with brushed silver finished top, base, and feet with polished silver edges and two polished silver columns with caps.

The clear glass center panel is supported by polished silver finished supports.

Dial features a white background with black Roman numerals and bar-style hour markers with a flat glass lens. Black hour and minute hands, silver seconds hand, and silver alarm.

Quartz, battery-operated alarm clock requires one AA battery (included).

Special features include felt-covered feet to protect your desk and tabletop.
