Abbott Bookshelf Brown

Crafted from solid pine, the Abbott Bookshelf radiates warmth and charm with its open-shelf design, offering versatile storage and display options. The bookshelf brings a touch of the outdoors indoors, combining the allure of nature with functionality.

- Solid pine featuring tongue & groove wood joinery
- Made from kiln-dried wood. Solid woods react dynamically to their environment & may swell & crack with changes in humidity & temperature, the kiln-drying process prevents the wood from warping or developing small cracks over time, resulting in highly durable furniture. Kiln-dried wood doesn't require harsh chemical treatments as the heat effectively sanitizes it
- 5 open shelves
- A portion of this product features FSC ®- certified wood from forests that are responsibly managed to be environmentally sound & socially beneficial
- Some assembly required
