Assembly Instructions Momentum Sectional

BEFORE ASSEMBLY

Thank you for purchasing this quality product. This product has been designed for easy assembly and constructed for durability. Please take the time to read and follow the assembly instructions carefully.

Power Left Arm Facing Recliner

Part List

When unpacking, please be careful not to discard any parts with the packaging. Before continuing, please make sure you have the following parts:

No	Description	Sketch	Qty
A	Body		1 PC
B	Back Cushion		1 PC
C	LAF Wing		1 PC
D	Wall plug transformer		1 PC

Step 1

Before removing the product from the carton, detach and remove the plywood from the frame using screw driver as shown in the diagram.

Step 2

1. Remove LAF Wing(C) from under seat. Meanwhile, untie the wall plug transformer(D) .

1.

Step 3

1. Install the Backrest(B) into the Seat(A) by positioning the female metal receiver brackets over the male metal posts. Ensure that female metal receiver brackets on each side of the backrest line up with the seat metal posts. Push the female brackets down male posts simultaneously until each side is locked into place and an audible “click” is heard.

2. Install the LAF Wing(C) by sliding wing in a downward motion along the side of the seat back to connect the brackets.

3. Connect the wire.

4. Attach the flap to the seat frame by pulling the flap down, and pressing the bottom hem under the seat base, connecting the velcro.

1.

2.

3.

4.

Seat contains 2.2 Density Foam, Back Cushion contains 100% Fiber.

Sectional Connect

1. Begin sectional connection by placing the pieces in the desired location in the room. Connect the pieces together using the brackets on the sides of each piece.

2. Locate the wire plug on sectional piece #6 and latch it to the wire receiver #5. Follow the same latching wire connection instructions for the remaining pieces 1-2-3 on opposite side. Use velcro provided on the bottom seat rails of each seat recliner to secure connection wires.

Note: Stationary pieces such as consoles and armless stationary chairs, that do not join to a power recliner piece will not be required to be connected, therefore pls buckle the unused by-pass wire as shown below.

3. Connect firmly one end of the wall plug transformer cord into the DC adapter located in the lower back corner of LAF/RAF Recliner and plug the other end into a power outlet/wall socket and enjoy.

Note: After all connections made, the green LED will be lit up.
