

Espresso wood finish on select hardwoods and veneers.

This flat top curio features hinged glass doors with satin nickel hinges and pulls.

A lower storage area with an adjustable laminated wood shelf behind two wood doors with satin nickel bar pulls is included.

The design allows for two or more to be used as bunching cabinets.

A glass mirrored back enhances the view.

Three adjustable glass shelves provide for four levels of display. Continuous holes for maximum shelf adjustment.

Pad-Lock™ cushioned metal shelf clips increase stability and safety.

No-Reach™ roller light switch for interior LED light is conveniently located on the back of the cabinet.

Adjustable levelers under each corner provide stability on uneven and carpeted floors.
