MOE'S

Farrow Sectional Flecked Oat Left

When your living room calls for more than a sofa. The Farrow Sectional combines deep, fiber-filled cushions with a gentle arm slope and piped edges for polish. Upholstered in flecked oat with a textured finish, it's fully wrapped and grounded on an invisible base for a seamless look. Designed with the left-facing chaise, this sectional adapts from traditional to contemporary with timeless ease.

- Relaxed geometry: Subtle arm slopes and piped cushions create structure without stiffness, striking the sweet spot between classic and contemporary.
- Flecked oat fabric: 100% polyester in a soft textured weave with subtle flecks, adding natural warmth and dimension.
- Grounded build: Fully upholstered frame over a hidden base and durable plywood construction keeps the profile clean while ensuring stability.
- Deep, lounge seat: Foam and fiber cushions with generous depth invite everything from movie marathons to accidental naps.
