Taking cues from one of our best selling pieces, this Apothecary sideboard features a warm brown finish on solid pine, which blends beautifully with other wood tones. The stately length is emphasized by the presence of a practical bottom shelf, and features two side hung drawers which offer ample storage within. The polished bronze cup pulls on the drawers add a touch of brightness to the warm finish. Whether gracing your entry with family shoes on the shelf, or as a base for your biggest big screen with favorite games stashed below, this majestic piece is sure to please.
