The Archives Gathering Table from the Archives Collection taps into the "hipstoric" design trend, blending modern style with rich historical elements. Crafted with cathedral figured walnut veneers, oak veneers, and a solid wood-edged top, this counter-height dining table features a high-clarity Classic Walnut finish that adds depth and richness to its timeless design. Its rectangular shape is perfect for casual dining or entertaining, with a turned leg design that enhances its traditional, formal appeal. The single drawer offers functional storage, and Hooker Furniture's meticulous craftsmanship ensures durability and smooth drawer operation. This piece complements a wide range of interior styles, offering both elegance and practicality to dining spaces.
