Product Description: The Moka Desk Chair features a tight seat, welt trim and transitional frame styling. The seat height is adjustable.

Collection Features: These smartly-scaled and expertly tailored desk chairs will bring refined style to your home office. Designed with a focus on both form and function, each customizable piece moves about the room on a five-star base with casters to create a stylish study to get the job done. Make it your own with a selection of more than 500 fabric options.

Status: Active

Finish: A large variety of multi-step, upscale standard finishes available with no upcharge. Premier wood finishes with elaborate hand detailing available at slight upcharge.

Padding: Padded outside arms and back for smoother surface and neater appearance

Material: Hardwood Solids and Fabric

Trim: Standard welt trim. Contrasting welt optional with slight upcharge. Choice of Satin Chrome or Brass casters.

Frame Construction: Furniture grade laminated hardwood provides weight and durability which eliminates bowing or warping. Construction features

include an interlocking frame which is glued, stapled and screwed providing strength and stability.

Seat: Tight Seats are crafted using 2.0 density foam.

Seat Construction: Sinuous wire springs, synthetic webbing, 2.0 lb foam density, 30 lb compression for a comfortable and firm seat with resiliency to last and beveled polyurethane core with fiber wrap.

Fabric: Hundreds of fabric options available

Contrasting Fabric: Available for welt, inside back, outside back and arm and seat cushion. Contrasting options available with an upcharge.

Important Use Information: We highly recommend the use of an appropriate floor mat under our Executive and Office Chairs. Failure to use such floor mats will result in caster failure and will void any claims to floor or carpet damage on all makes and models of flooring.
