Product Description

The Georgetown collection presents beautiful outdoor furnishings imbued with transitional style. Crafted from a commercial grade aluminum frame and resin weave, the pieces highlight exceptional durability and accommodation. The seating pieces are completed with comfortable and removable suspension seating options and accented by elegant arms designs. All completed with a Gray Fir weave finish.

Features

- HDPE resin wicker in Gray weave finish
- Premium deep seating
- Powder Coated Steel Frames
- Cushions included Sunbrella® Fabrics – Domestically Produced
- Durable resin weave over sturdy commercial-grade aluminum frame
- Weather and UV resistant

- Comfortable removable suspension seating
- Easy frame & fabric maintenance: clean with mild soap and water
