FEATURES & BENEFITS

- Electronic Control Panel.

→ Four Temperature Levels—Proof, Low, Medium and High (100-200°).
Temperature will automatically set to the last temperature setting used when the drawer is turned on.

→ Four Timer Settings—1, 2, 3 & 4 hours plus an infinite time mode which keeps the warming drawer on until you turn it off.
The Infinite mode is very useful when you need the warming drawer on for extended periods of time like during parties and events or for use during the Sabbath.
- Blue LED Indicator lights.

→ Large Capacity.

→ 50 pound weight limit.

→ Quick to heat with 500 watt heating element.

→ Approved for installation under Dacor wall ovens, microwaves, cooktops and in under counter applications.
