KEY FEATURES

TV SOUNDCONNECT

Enjoy a clutter-free home entertainment system. TV SoundConnect lets you instantly enjoy movies, music, and TV shows with more impactful sound.¹

BLUETOOTH® POWER ON

Connect wirelessly for one-touch control of your Soundbar from Bluetooth®-compatible devices. Simply select the Soundbar for pairing and power it on automatically for a seamless home entertainment experience.

SURROUND SOUND EXPANSION

Experience the full power and depth of your favorite movies and TV shows with a wholly optimized audio experience. Samsung Clear Voice enhances voices and dialogue so you won't miss a single line in your favorite scene.

4.1 CHANNEL SYSTEM

Enjoy powerful sound, incredible clarity, and a greater sense of audio depth with all of your favorite movies and TV shows.

DOLBY® DIGITAL 5.1 CH

Dolby® Digital delivers the ultimate in high-quality, 5.1 channel audio for a truly cinematic home entertainment experience. Hear your digital music files the way they were meant to be heard with High Frequency Restoration. Restore notes and sonic details normally lost in digital file compression.

HDMI®

Enjoy your favorite movies, shows, and sports with higher quality audio. The HDMI® connection transmits digital video and audio over a single cable, delivering a superior entertainment experience.

WIRELESS ACTIVE SUBWOOFER

Feel the action of your favorite movies, shows, and sports with dynamic, powerful bass for a lifelike home entertainment experience.

CLEAR VOICE

Samsung Clear Voice enhances voices and dialogue so you won't miss a single line in your favorite scene.

MULTIROOM COMPATIBLE

Enjoy your favorite streaming services, as well as audio from your mobile device. Control the Soundbar and connect to your multiroom entertainment system.

¹ Compatible 2013 - 2015 Samsung 3D TVs
