Zara Navy Queen Bed (3 Boxes)
63" W x 92.5" D x 49" H • 18.08 CUFT • 138 lb.

Slip into the lap of luxury with this Zara Velvet Bed. This beautiful queen bed is padded to the max on its headboard and footboard for a look that is nothing short of upscale. The luxe design is amplified by the bed's rich navy velvet upholstery and its deep detailed channel tufting, which also serves to keep the interior padding aloft, full, and comfortable while you relax or unwind in bed. The bed has gold legs for a regal touch, and it comes with slats, so it doesn't require a box spring.
