

# Water Filter

This water filter removes chemicals and contaminants from your drinking water, resulting in clean tasting and clean smelling water. We recommend a new filter every six months for optimal water drinkability and flow. Use with older Fisher & Paykel integrated refrigerator models: RS90, RS36, RS90120, RS9120 If you have a newer refrigerator model you may need to use part no. 847200. Please check your filter for the part number before purchasing

SKU 862288
