Avenda Beige End Table
14.25" W x 14.25" D x 18.75" H • 5.28 CUFT • 79 lb.

A bold, architectural cutout defines the Avenda sand concrete indoor/outdoor end table, creating depth and visual intrigue within its sculptural form. The concrete construction offers durability while maintaining a smooth, refined surface. Suitable for both indoor and outdoor use, this art deco-inspired piece delivers a striking balance of structure and function.
