Finish: White/Gold

Materials: Ceramic

Availability: as of 9/17/2021 11:49:12 AM

Item Weight: 23.5 lb

Our Swirl Large Vase is made by a group of elderly women who live at the border of Burma and Thailand. They reproduce this shape to mimic the intricate cactus plant using black terracotta. The result is very interesting, as it certainly has the feel of a cactus vase but it is just as easily an Art Deco design. We also offer the Swirl in a smaller size.
