NOTES

Available in more than 250 fabric options

Also available in Performance fabrics - Revolution and LiveSmart

Safety locks prevent the furniture from gliding while reclining.

Removable backs allow for easy lifting and maneuvering through doorways.

Swivels a full 360 degrees.

Glides or reclines from any swivel position.

Swivels in all directions while reclined.

Safety locks prevent the furniture from rocking while reclining.

Power allows you to smoothly recline to any position.

A single USB port is included on each power button control on styles with arms.

Lower the footrest by applying pressure to it in a downward motion. Lowering the footrest with the handle can damage the recliner.

The power control allows you to independently adjust the recline and headrest.

A separate home button returns the headrest and footrest to their original positions with one touch.

A USB port is included on the power control for powering electronics.

Zero draw technology only uses power when the USB port is in use.
