

Featuring an **850 coil density system**, this supportive mattress offers **zoned comfort and pressure relief** with a lumbar gel support band and Cool Twist® Gel Memory Foam that contours to your body—with upgrades available for even more cooling, comfort, and pressure relief.

Waters Edge model shown above

Gel Band Support

Gel memory foam lumbar support band provides support for the lower back and hips.

Cool Twist Gel Memory Foam

This unique design features cooling gel swirled into premium memory foam. This breathable memory foam helps enhance airflow and heat dissipation for a feeling that can only be described as a cool, contouring type of comfort.

Custom Support Coil System

This 850 coil density system provides contouring, cradling support and minimizes motion transfer.
