MASSIMO DINING TABLE

BJD22189-20

The Massimo Dining Table pays homage to Post-Modern Italian design, featuring elegant concentric arches on the base that tier back gracefully. Its striking base supports a large racetrack shaped top, available in either maple or quartersawn oak. Available in 96" and 120" lengths to accommodate 8-10 dinner guests. The finishes you choose for both the base and the top allow this versatile piece to effortlessly transition from California-modern style to classic Art Deco and everything in between. A true chameleon and workhorse for designers, the Massimo Dining Table is the perfect blend of form and function for any interior. Also available with a rectangular top.
