1200-0365

Overall: 14.75"h x 19.5"w x 4.75"d

Finish: Antique Green

Materials: Cast Bronze

Availability: as of 9/16/2021 7:37:35 AM

Item Weight: 15 lb

The Assyrian Horse Bronze is made from a lost-wax technique where boiling bronze is poured into a mold covering an original wax sculpture that melts away. Once set, there is a very long process of refining the bronze to give it patina. The Etruscan style and the aged finish of this bronze sculpture make it feel like an antique.
