Rippling waves of textured glass float along the front of this rich Retro Walnut cabinet that mixes materials and shapes with ease. The cabinet has a strong rectangular presence that is softened by rounded chamfers on the back corners. The front four doors are hand-leafed in Oracle, enhancing the shimmer of the cabinet. The doors are attached with metal hardware in Champagne Gold. As a buffet, living room storage piece or media cabinet, the right side of the unit has two adjustable shelves; the left side has open storage and one center drawer with under-mount guides. Equipped with holes to manage wires, the interior is finished in Almond Milk.
