

TRUFORM

12.5" MOMENTUM | FIRM

CertiPUR-US® Certified

Made in the USA

10-Year Limited Warranty

THE BUILD

- Fire barrier is made from a blend of fine denier silica-based rayon and other polymeric fibers that are thermally bonded and lofted.
- Two 7/16" Firm high-density quilt foam layers are designed to provide long-lasting support for your body throughout the life of the sleep system.
- The 7/8" Medium Firm Quilt Foam layer is designed to conform to your body while providing long-lasting support.
- The 2.75" medium-feel upholstery foam layer is designed to gently conform to the body's contours while delivering long-lasting support and resilience. This layer enhances overall comfort and helps maintain mattress integrity over time.
- The 6" fabric-encased coil system has a high coil density and strong foam border that delivers personalized comfort and allows you to sleep to the edge of your mattress.
- The 1.75" medium-feel upholstery foam layer is designed to gently conform to the body's contours while delivering long-lasting support and resilience. This layer enhances overall comfort and helps maintain mattress integrity over time.
