WEDGE DINING TABLE GC1670-19

Uniquely scaled and perfectly conceived, the Wedge Dining Table seats six perfectly. The simple monolithic pedestal base is slightly offset and rests on minimal block feet. Thoughtful reverse-beveled edge on the tabletop reprises the pedestal shape for design and dining harmony. This collection is made in Quartersawn Oak and Finish is restricted to Monterey Wire Brush Oak Finishes Only. You may also choose to have this built in Maple and choose from our standard finishes on Maple. Customization is possible.
