Product Description: Halmstad Wood Platform Queen Bed in Brown
Long Description: Our Butler Specialty Company Halmstad collection is inspired by the timeless and functional Scandinavian aesthetic. With a minimalist design, this collection is perfect for those who appreciate simple yet elegant furniture. This bed showcases a sleek low-profile platform frame with a seamlessly integrated headboard for a modern rustic appeal.
Shipping Method: LTL
Materials: Mindi Wood, MDF, Mindi Veneer
Shape: Rectangular
Product Features: The color is brown with a walnut color tone

Exceptionally built using Mindi Wood, Engineered Wood and Mindi Veneer Construction Details: The frame is crafted from solid mindi wood, complemented by a headboard featuring mindi wood veneer over engineered wood, finished with a clear lacquer for added durability. This bed accommodates up to 800 lbs without requiring a box spring, includes 12 sturdy slats, and features mortise and tenon joinery for strength. Additional highlights include kiln-dried wood for enhanced longevity, natural wood variations for unique character, and plastic floor protection to safeguard surfaces. Shape is rectangular with a sled base Product Dimensions: 66"W x 87"D x 38"H, Item Weight: 203 lbs Item requires full assembly of headboard and footboard to side rails and insertion of slats and support legs with provided hardware Complete your perfect look by mixing and matching your decor with the extensive range of products from Butler Specialty Company! Discover endless possibilities to express your style and create a space that truly feels like home.

Bed sits 12"H off the ground with a headboard height of 26"H. Box spring not required

Box spring not required

This piece features veneer work and engineered wood substrates. The wood veneer is used for a smooth and consistent color tone, while the engineered wood beneath it provides strength and structural longevity and allows us to achieve specific looks and functions that are not easy or able to be achieved with solid wood Weight Capacity: 800 lbs

Ideal for use in a master bedroom, guestroom, commercial settings such as vacation rentals, bed and breakfast inns, hotels or resorts

To clean, wipe clean with a clean dry cloth and dust regularly. If spills occur, wipe spills with a damp cloth and dry immediately. No abrasives or household cleaners which can damage the wood.
