Barrow Accent Chair Amber Glow

Barrel back, swivel base, hidden casters—it moves on a whim. Soft lines and a plush, layered seat give the Barrow living-room comfort right at the dining table. Amber glow polyester covers a foam-and-fiber seat on a solid poplar and plywood frame, with webbing and a swivel base that lets the chair glide and turn with ease. Roll up, lean back, and settle in for the long haul.

- Modern Barrel Shape: A gently curved barrel back and sculptural form bring soft lines and a design-forward look to a dining or living space.
- Plush, Layered Seat: A foam-and-fiber seat stays soft and supportive, bringing living-room comfort to the table for long dinners and lingering talks.
- Solid Poplar Frame: A solid poplar and plywood frame holds the barrel form steady and supportive, keeping the sculpted shape through everyday use.
- Moves With You: Hidden casters and webbing let the chair glide smoothly from meal to conversation, rolling and swiveling easily as you go.
