## MASSIMO CONSOLE TABLE BJD22163-44

The Massimo Console Table pays homage to Post-Modern Italian design, featuring elegant concentric arches that tier back gracefully. Its striking base supports a demilune-shaped top, available in either maple or quartersawn oak. The finishes you choose for both the base and the top allow this versatile piece to effortlessly transition from California-modern style to classic Art Deco and everything in between. A true chameleon and workhorse for designers, the Massimo Console Table is the perfect blend of form and function for any interior.
