

Thank you for purchasing this quality product. Be sure to check all packing material carefully for small parts that may have come loose inside the carton during shipment.

Inside the carton you will find two red plastic bags that have the recliner's wings in it. Remove the wings from the plastic bags and set them aside to be used in assembly and installation.

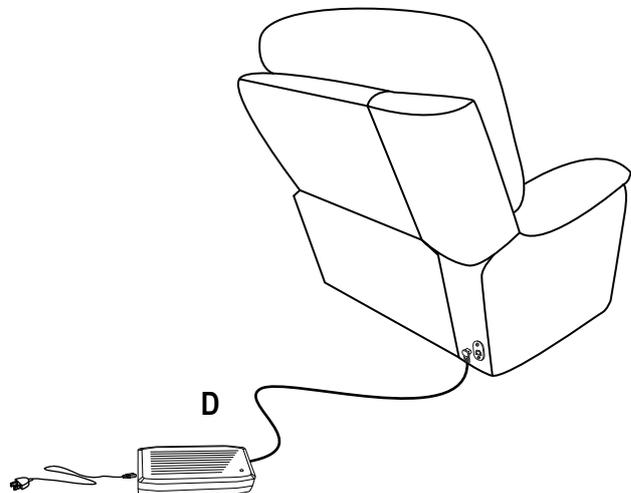

**Make sure to read the instructions below before assembling your Recliner.**

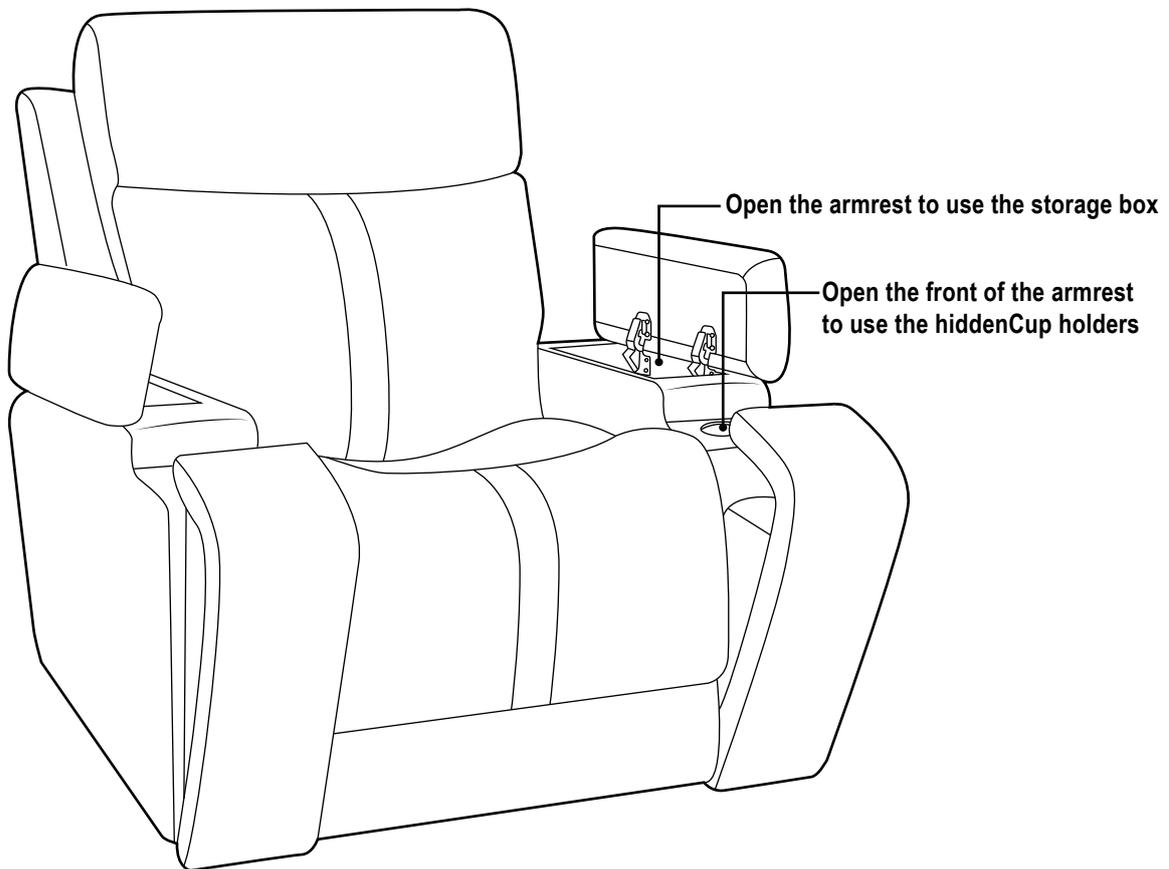

Ensure both clips on back are aligned, then press top of back frame downward until a clicking sound is heard.

**NOTE:** This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device. Modifications not approved by the party responsible for compliance could void user's authority to operate the equipment.

Do Not plug the power cord into a power outlet until your furniture is fully assembled and in placed.

Notes:

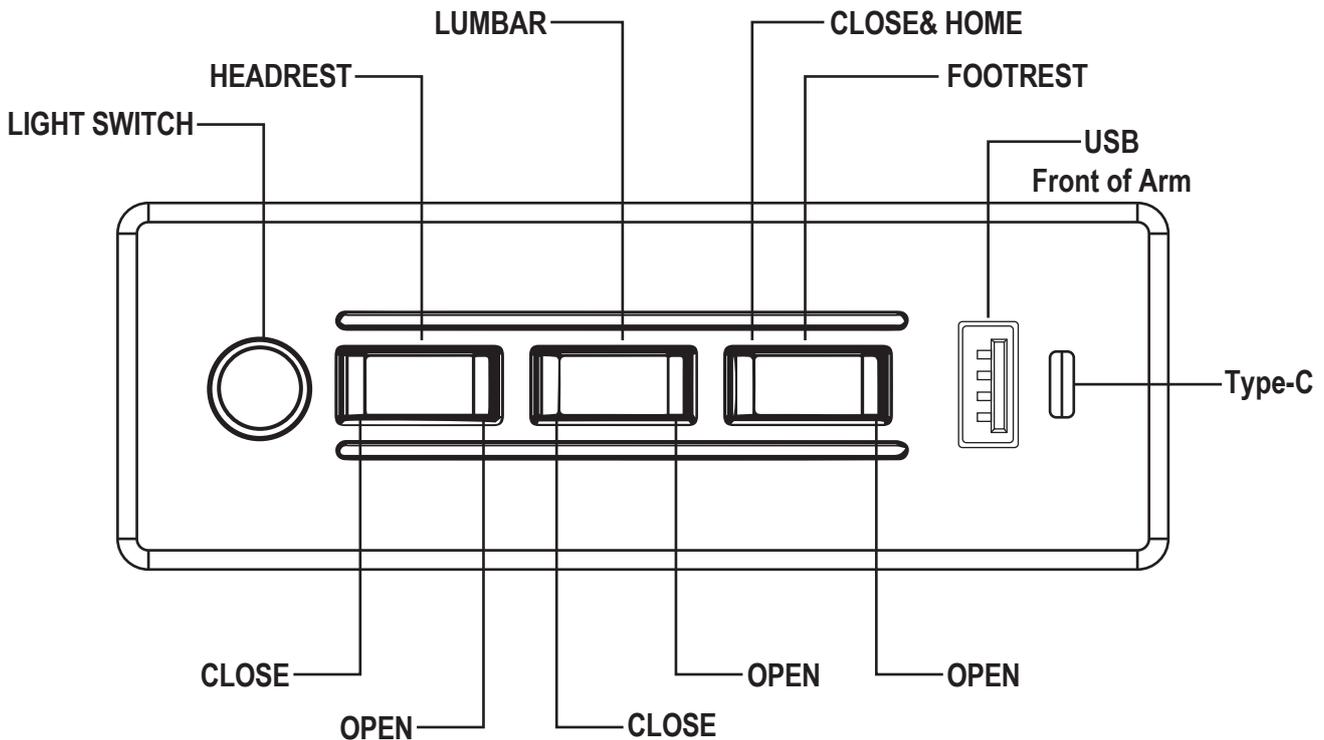

- 1) To help prevent shock or damage to your product only plug the power cord into a grounded outlet.
- 2) Read the operating instructions carefully before operating your furniture.

**IMPORTANT NOTE**

- To avoid any risk of suffocation to children or pets, dispose of all plastic bags immediately.
- To ensure proper performance, occasionally check for loose screws and tighten as needed.
