MESITA

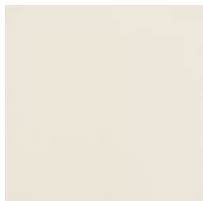

cla-022-202

COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 42 dia x 29.5H

Aptly named for its small-scale, Mesita is a celebration of texture and material. A polished sandstone top introduces natural banding and an organic element, punctuated by its pedestal-style base, crafted from intricately pieced strips of stone to create a subtle bevel. Perfectly sized to make an entrance, or entertain in small dining spaces. Even more dramatic: style alongside a sofa or chair as a statement-making end table.
