PRODUCT DESCRIPTION

Casual and contemporary, this ottoman suits those with a keen eye for everyday luxury. Its expertly matched leather and faux leather upholstery is filled with depth and dimension, incorporating an inviting sense of masculine character. With tufting details and a linear silhouette solidifying its chill vibe, all that's left to do is kick back and relax.

- Corner-blocked frame
- Firmly cushioned
- High-quality foam cushion wrapped in poly fiber
- 100% top grain leather covers the cushion top; skillfully matched faux leather covers the remaining areas
- Lightly buffed and embossed for a more natural look
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Exposed feet with faux wood finish
