

Featuring select materials that are up to **70% sustainable***, this **supportive foam mattress** was designed for sleep that's cool, comfortable and restorative—with upgrades available for even more cooling, comfort, and pressure relief.

POWERED BY
REPREVE

F30LTX Plush model shown above

CoolTemp™ Cover powered by REPREVE®

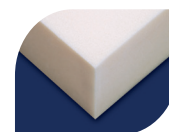

This cool-to-the-touch, breathable cover is made with recycled plastic bottles.

Terra Fusion™ Memory Foam

Made from 30% plant-based material that provides pressure relief and reduced motion transfer for uninterrupted sleep.

Serta® Foam Core

Durable, edge-to-edge support for any sleep position to help you rest comfortably all night long.

Additional Features

- **Deep Reaction® Max Gel Memory Foam**
A highly-dense memory foam with cushioning and conforming qualities that provide deep-down support for pleasurable sleep. Available in F15GL & F30LTX Firm models only.
- **EverCool® Supreme Memory Foam**
This high-density memory foam provides a weightless, cradling feeling all over your body for extraordinary pressure-point relief and support. Available in F20GL model only.
- **Latex Foam**
A responsive layer containing 20% natural latex that's breathable and supportive. Available in F30LTX Firm, F30LTX Plush & F40HD models only.
- **CustomFit™ HD Memory Foam**
A premium, high-density memory foam that conforms to your body for comfortable support all night long. Available in F40HD model only.

*Sustainable refers to plant-based foams & recycled fibers and varies by model. See Serta.ca for details.
