### DESCRIPTION

Toblino, with its super sleek hood design that's only 2" high, is the perfect complement for modern kitchen designs featuring sharp, futuristic architectural lines.

Available in 30" and 36" widths, Toblino features multiple backlight color touch controls that illuminate in elegant white, green, blue, or red, operating the LED lights and 4-speed blower. Multiple clicking sound options are also available. Designed for standard ducted installation, Toblino can also be installed as a recirculating system using the optional kit.

### FEATURES

- 3x layer mesh
- Led light
- CFM reduction system
