

Norbo Sofa

Norbo

Welcome style and sophistication into your home with our N-Series sofa range. Characterised by a low profile, distinctive arm shapes and elegant standing legs, the N-Series sofa combines minimalist design and style to create a truly sleek sofa that will complement the theme of your living area.

Norbo presents a simple yet attractive sofa with its use of finer styling details. With a slimmer, block-shaped arm and subtle stitching detail Norbo achieves a more classic shape and graceful profile. Generously padded cushioning throughout the back and seat cushions gives Norbo a welcoming effect, just waiting to be experienced.

Features

1. Higher Grade Foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

2. Steel Interior Springs

Steel springs located throughout the back and seat provide optimum support whilst cradling the body.

3. Solid Construction

A steel and hardwood frame provides durability and strength.

4. Leg Options

Choose from an aluminium leg either polished or unpolished, or choose one of our new leg options: a tube-shaped leg available in a brushed and black finish, or a straight wooden leg available in 9 colour options. Customise your sofa further with 2 leg positions: either underneath the armrests or under the seat for a more alternative look.

5. New Seat Depth Option

Our new 3cm cushion depth allows for improved comfort and added ergonomic support, encouraging correct leg posture while seated.
