36-in 30 cu. ft. Ultra Capacity French Door Refrigerator with Ice & Water Dispenser

HRF300P7DSE

Meet the Hisense French Door Refrigerator with an ultra-large 30 cu. ft. capacity, designed for big grocery trips and family meals. The ultra-tall, filtered water and ice dispenser fits tumblers up to 10 inches and dispenses fresh water with crescent or crushed ice, while a dual ice maker adds an extra supply from the freezer. Inside, the adjustable Infinite-Move door bin features a convenient pinch-to-unlock mechanism and smooth height control to quickly make room for items like 2L soda bottles. Ambient LED lighting enhances visibility throughout the fridge.

Ultra Large Capacity

With up to 30 cu. ft. of space, this refrigerator makes it easy to store groceries of all shapes and sizes. Perfect for weekly shopping, everything stays neatly organized and easy to find.

Inverter Technology

Quieter, more efficient cooling with inverter motor technology. It adjusts automatically to maintain a consistent temperature, keeping food fresh longer and reducing energy use.

Refresh Hub™ 3+2 (Dual Ice Maker)

Two ice makers keep you well stocked. The door dispenser serves crescent and crushed ice, while the freezer ice maker adds cubed ice for extra supply when you need it.

ENERGY STAR Certified

With our ENERGY STAR Certificate, experience year-round energy efficiency, cost savings, and environmental impact reduction, contributing to a greener planet.

Infinite-Move Door Bin

Pinch the base to adjust the height smoothly, creating space for 2L soda bottles or smaller items in seconds. No tools needed, just flexible storage when you need it.

Fingerprint Resistant

Anti-fingerprint stainless steel exterior resists fingerprints and makes cleaning easy. This unique finish requires no special cleaners so you can keep your fridge looking great!

Ambient LED Lighting

Bright, even lighting from every angle. Dual rear LEDs and 360° surround lighting keep shelves and drawers clearly visible, making it easier to find what you need and reduce food waste.

Multi Air Flow

With Hisense's Multi Air Flow System, cold air is evenly distributed for consistent optimal temperatures, ensuring perfectly chilled food no matter its placement.

Ultra-Tall Filtered Ice & Water Dispenser

The door dispenser fits tumblers up to 10 inches and serves fresh, filtered water with crescent or crushed ice, all without opening the fridge door.

Wi-Fi Enabled with ConnectLife App (Smart Control)

Use the ConnectLife App to control your fridge—adjust temp, manage food, lock settings, or start Super Cool/ Freeze—all from your phone.
