## Blake Tall Cabinet Rustic Oak

Three shelves to show off, one cabinet to clean up. Blake keeps the room feeling open while giving everyday clutter a home. Rounded corners and soft curves warm up the Rustic Oak look, and the tall, airy frame is easy to style in a living room, dining space, or office. Oak veneer over MDF delivers a consistent finish, with solid oak details for added strength. Display what you love, hide the rest out of sight.

- Airy Rounded Profile: Clean lines with rounded corners and softly curved edges keep the tall cabinet feeling warm, open, and easy to place.
- Rustic Oak Materials: Oak veneer over MDF creates a consistent Rustic Oak finish, while solid oak elements add natural character in key touchpoints.
- Grounded Construction: Solid oak detailing and thoughtful proportions give steady support and a grounded presence, without making the piece feel heavy overall.
- Display + Hidden Storage: Three open shelves show books and décor, while the lower closed cabinet tucks away media, cords, and everyday essentials neatly.
