Hannah Tall Cabinet Blue

Part display case, part hideaway—the Hannah tall cabinet keeps its options open. Tempered glass fronts show off what's worth seeing while solid panels tuck the rest away, framed in the millwork-inspired lines that give it a classic, traditional character, here in a soft blue. A solid pine body stands on slender dowel legs, with understated bronze hardware adding a soft touch. Three adjustable shelves flex to fit what you store. Quietly classic, however you fill it.

- Millwork Lines: Classic cabinetry proportions and molding-inspired detailing give the Hannah tall cabinet a traditional look that settles comfortably into a range of rooms.

- Display And Conceal: Tempered glass fronts reveal what's worth showing while solid panels keep everyday clutter tucked neatly and quietly out of view.
