Be sure to check all packing material carefully for small parts, which may have come loose inside the carton during shipment.

To prevent possible scratches and damage, this furniture should be assembled on a soft surface such as a blanket or carpet.

Step 1: Place the Table Top upside down. Attach the four Upper Legs (C) to the Table Top

Step 2: Carefully position the Shelf (B) onto the bottom of the Upper Legs (C), aligning the holes in the Legs and Shelf.

Step 3: Attach the Shelf (B) to the Upper Legs (C) by screwing the bolt in the top of the Lower Legs (D) into the bottom of each Upper Leg (C). Hand tighten snug.

Step 4: If the Casters (E) will be used, install into the four plates mounted under the Shelf. Tighten with the Open Wrench (F).

Step 5: Carefully set the assembled table upright.

The casters provide an element of convenient mobility, however, to prevent possible damage to some types of flooring, never roll casters on unprotected hardwood, vinyl or other types of resilient flooring.
