

PLAZA MIDWOOD

With an increased emphasis on individuality and modern design and offering more than 250 skus, the collection – called Plaza Midwood – features moderately scaled items and customizable pieces, making it the perfect collection to reach all generations of luxury furniture buyers. Designed to better serve consumers who live in loft-style spaces or homes with open concept floorplans, the collection offers smaller, yet functional items, including sectional pieces, multiple sofa options and companion loveseats, chairs, recliners and swivel chairs. Two depth options are available, the 700 series as the standard depth option and the 800 series as the deeper option.
