Included controls

Remote

Enjoy added convenience with the included remote–control every function of your fireplace, including power, thermostat, timer, flame, and ember bed, from the comfort of your couch.

Innovations

Flame & ember bed presets

Conveniently choose from 11 presets (including cycle mode) for the flame and ember bed simultaneously by using the remote.

Easy & flexible installations

Does not require venting, making it ideal in spaces where gas or wood is not possible. Plus, protruding only six inches off the wall when hung, or installed partial or fully recessed, makes it possible for any space.

Fully recessed
